

WHO WE ARE

- *The Roukounakis farming company is the realization of the dream of 2 brothers and their mother!! But what is this dream?*
- *Just for as many people as possible in the world to get to know the products and flavors of Crete and the way we*
- *tasted and learned them while growing up in South Crete!*
- *So since 2019 we have been active in the production and processing of Cretan traditional products such as*
- *Extra virgin olive oil, jams, olive pate, herbs, petimezi and other products!*
- *Since 2020 our company has successfully exported to Germany, France and Belgium!*
- *Also, from 2020 our company has a physical store in Matala, Heraklion, Crete, under the name The Farm Of Mama Roukounaki!!*
- *In 2022, after many efforts, we also managed to obtain a license so that we could produce and export*
- *Tsikoudia and Rakomelo with the distinctive title*
- *Roukounakis Distillery!*
- *Our products are produced or collected and processed by ourselves*
- *with love and respect for Cretan tradition and culture!*
